

FUNDING AVAILABLE FOR ENVIRONMENTAL RESEARCH AND DEVELOPMENT

ARLINGTON, VA, November 2, 2009—The Department of Defense's (DoD) **Strategic Environmental Research and Development Program (SERDP)**, is seeking to fund environmental research and development in the **Sustainable Infrastructure** focus area. The development and application of innovative environmental science and technology supports the long-term sustainability of DoD's installations and ranges, as well as significantly reduces current and future environmental liabilities. The Sustainable Infrastructure focus area concentrates on natural resources, cultural resources, and the sustainable management of DoD facilities. SERDP intends to fund multiple projects that respond to the following four focused Statements of Need (SON) in **Sustainable Infrastructure**:

1. **Impacts of Climate Change on Alaskan Ecological Systems**
2. **Behavioral Ecology of Cetaceans**
3. **Ecological Forestry and Carbon Management**
4. **Ecology and Management of Source-Sink Populations**

Proposals responding to the Fiscal Year (FY) 2011 SONs will be selected through a competitive process. **PRE-PROPOSALS FROM THE NON-FEDERAL SECTOR ARE DUE BY THURSDAY, JANUARY 7, 2010. PROPOSALS FROM THE FEDERAL SECTOR ARE DUE BY THURSDAY, MARCH 11, 2010.** The SONs and detailed instructions for federal and private sector proposers are available on the SERDP web site at www.serdp.org/funding.

LEARN MORE ABOUT FUNDING AVAILABLE THROUGH SERDP— TWO OPPORTUNITIES, TWO DIFFERENT TIMES!

Participate in a webinar hosted through the U.S. Environmental Protection Agency Technology Innovation Program. SERDP's Executive Director Dr. Jeffrey Marqusee will conduct an online seminar *SERDP Funding Opportunities* on **Friday, November 13, 2009 at 1:00 pm EST**. This "how to play" briefing will offer valuable information for those who are interested in new funding opportunities available through SERDP in FY 2011. During the online seminar, participants may ask general questions about the funding process, proposal submission, and the current solicitation. To learn more about this online seminar and to register, visit www.clu-in.org/conf/tio/serdpfunding.

AND

Join us in person for the Partners in Environmental Technology Technical Symposium & Workshop, December 1-3, 2009, in Washington, DC, where SERDP's Executive Director Dr. Jeffrey Marqusee will present a *Funding Opportunities* session on **Thursday, December 3, 2009 at 12:15 pm EST**. This presentation will offer valuable information for those who are interested in new funding opportunities available in FY 2011 as well as answer questions about the funding process, proposal submission, and both the current FY 2011 SERDP solicitation and upcoming FY 2011 ESTCP solicitation. To learn more about the Symposium or to register, visit www.serdp-estcp.org/symposium.
